Sensitivity: Confidential

DSS: No

Hi Jacki:
I've received no further comments from any of our internal folks, so let's assume that this is as final as it's going to get. One minor point - under the DM & Stats agenda item "content" is misspelled.

By the way, any word on Hans' room confirmation?

I still owe you a confirmation of the ground transportation plans. Forthcoming tomorrow I hope.

Thanks,
Valerie

Valerie-

Attached is the draft agenda for the visit in Phoenix next week. Please have this reviewed internally and if possible, provide us with any comments and/or changes by the end of the day tomorrow.

Please let me know if you have any questions.

Thank you,
Jacki
